Ref. No. B-7.3/4320

27th February 1936.

Dear Mr. Madhava Rau,

I am in receipt of your letter dated the 5th December 1935 and have examined the question of the formation of a separate Village Panchayat for the Sugar Factory area at Mandya.

I agree that as the law now stands, unless the area is included within the limits of the Mandya Municipality it has to come under the jurisdiction of a panchayat, and as the former alternative is undesirable from several points of view, there appears to be no other alternative but to constitute the area into a separate unit under the jurisdiction of a Village Panchayat of which the members will be mostly officers of the Sugar Company with the General Manager as Chairman. In doing so, it may be desirable to include in the area of the "Village" to be newly constituted not only the actual factory area, but also a little extra land on the north of that area up to the halla.

I do not anticipate any inconvenience arising on account of some powers of control being vested in the Amildar. The exercise of these will be, I believe, more or less formal. But the procedure now prescribed by the Regulation and rules appears to be very cumbersome in view of the special circumstances of this area. Possibly, the rules may be amended so as to make it possible to simplify the procedure to some extent, but not so as to conflict with the provisions of the Regulation. Further, when Government next take up the amendment of the Regulation, they might perhaps be disposed to consider the question of making provision for exempting such special areas from the operation of the Regulation, or at least for having a simpler set of rules for such areas.

Yours sincerely,

Kuttan

N. Madhava Rau, Esq., B.A., B.L.,
Second Member of Council,
Bangalore.

1) The proposals, briefly are the following:—

1. Constitution of the sugar Company area plus a little strip of land upto the halla ~~out~~ in the North into a separate Village Panchayet.

2. Having the Panchayet, manned chiefly by the officers of the sugar Company with the general manager as chairman.

3. Relaxation of the existing rules under the Regulation, so as to conform with the special nature of the area.

4. Amending the Regulation itself so as to provide for the exemption of such special areas from the operation of the Regn

2) Regarding the first point, the Deputy Commissioner is himself authorised (under section 4 (1) of the V.P. Regn.) to form any village or group of villages into a village Panchayet subject to rules or orders made by Govt and subject to the procedure prescribed in the second para of the same section For this purpose, the first condition to be satisfied is that the area under contemplation should be a village ~~en bloc~~ or a group

WD 03594—GPB—30,000—18-7-35

of villages enbloc; and there is no provision in the Regn for the formation of a part or parts or groups comprising the whole and part or parts of villages into a village Panchayet. The question of amending the Regulation so as to enable the formation of part or parts etc, of villages into separate villages Panchayets has been referred to the Standing Committee for L. S. G. Under the existing provisions, therefore, it is not possible to form the area into a V.P. unless it forms a village or a group of villages enbloc and it may perhaps be necessary to ~~take~~ select a village ~~which~~ whose area approximates the area in contemplation and form it into a V.P.

This proposal has been agreed to by the Standing Committee which met on 9.3.36 = My

3) The other points enumerated in para 1, will arise ~~or~~ only after the area is ~~formed~~ decided to be formed into a village Panchayet.

4) If approved, a copy of the Sugar Company Chairman's letter will be forwarded to the Rev. Comr. for examining the question with regd to the actual situation.

28 The Mandya Town Municipal Council who were consulted in the matter have suggested the following:-

1) One of the Members to be nominated to the Mandya Sugar Town Board should be a non-official Municipal Councillor

2) The present Municipal boundary should not be altered

3) The right of the Municipality to collect tolls on cane-carts should continue.-

Subject:- Formation of the Sugar Company area at Mandya into a separate Village Panchayet.

Sir,

With reference to Development Secretary's letter No.L. 7392/V.P. 43-35-4 dated 13th April 1937 and in continuation of this office letter No.C.4465/36-37 dated 6th May 1938 on the above subject, I have the honour to forward herewith a copy of Mysore Deputy Commissioner's ~~letter~~ final report No.D.3-1325/34 dated 1st January 1939 received in the matter and to state that the Deputy Commissioner has sent a draft notification for constituting the area into a separate Village Panchayet together with a set of draft rules applicable thereto.

2. It is reported that the Municipal Council of Mandya who were consulted in the matter, have approved of the draft rules in general, but have suggested that (1) one of the members to be nominated to the new board should be a non-official Municipal Councillor of the Municipality. (2) The present Municipal boundary should not be altered and (3) The right of the Municipalit to collect tolls on cane-carts should continue. The Deputy Commissioner after a careful examination of the whole position with regard to the existing conditions has proposed for reasons explaine in his letter that no change as suggested by the Municipal Council is called for. The Municipality is no doubt anxious that the right to collect tolls on the sugar cane-carts which they now enjoy and which give them an income of about Rs.3,000/- should not be interfered with as it will seriously affect their revenue. I have no doubt in my mind that the collection of tolls on the carts

that only pass through the Municipal boundary is illegal. The Deputy Commissioner states however that he had a personal discussion on this subject with the Chairman of the Company who was agreeable to recommend to the Board of Directors to make from the Company's income an annu al grant between Rs.2,000/- and Rs.3,000/- to the Municipality for a period of ten years ~~xx~~ of course not as compensation but more with a view to help them to tide over their finalcial difficulties. That I consider to be a very generous gesture on the part of the Chairman of the Company of good neighbourliness and the Municipality should be grateful to him for it. I endorse the Deputy Commissioner's proposals and recommend that they may be adopted. The draft notification for constituting the area into a separate Village Panchayet together with the draft rules applicable thereto ~~for~~ are herewith submitted.

I have the honour to be,

S i r,

Your most obedient servant,

Revenue Commissioner.

BR.

Letter No.D.3-1325/34 dated 1st January 1939, from the Deputy Commissioner, Mysore District, to the Revenue Commissioner in Mysore.

With reference to the correspondence ending with your letter No.C.4465/36-37 dated the 15th November 1938, regarding the formation of the Sugar Company area at Mandya into a separate Village Panchayet, I have the honour to forward herewith a copy of the draft rules proposed for the administration of the Mysore Sugar Company area for your perusal. The Municipality which was consulted in the matter has, while approving of the Rules, suggested three conditions namely:-

1. That one of the two Members to be nominated to the Board should be a non-official Municipal Councillor of the Municipality.

2. That the present Municipal boundary should not be disturbed.

3. That the right of the Municipality to collect tolls as at present should continue.

2. I enclose herewith a copy of the resolutions passed by the Municipality on the subject for your information.

3. As regards the nomination of a non-official member, I am of opinion that this is not necessary as the Sub Division Officer and the Local Medical Officer who are members of the Municipality will be on the Committee for the Sugar Company area. These two could explain the views of the Municipality to the Committee members of the Sugar Company area and the vice versa.

4. It is seen from the Schedule of the proposed rules that about 8 survey numbers which are within the Municipal area will be included in the special area. From the Town plan of Mandya it is seen that some buildings belonging to the Sugar Factory are within the Municipal Boundary and the Sugar Factory and the Manager's quarters are outside it. It is necessary that these survey numbers should be removed from the Municipal boundary and the Municipal boundary re-adjusted.

5. In regard to the question of the Municipality continuing to collect tolls on cane carts, the position is as follows:--

The Municipal Council is at present collecting tolls on the sugarcane laden carts that pass through the Municipal area for

delivery at the Sugar Factory premises. The Weigh bridges where the carts are unloaded and the sugarcane is delivered to the Factory is outside the Municipal boundary, so that strictly speaking, the sugarcane carts merely pass through the Municipality and the Municipal Council is apparently not in order in levying tolls on this "through traffic". The legality of the levy of this toll has not been hitherto questioned by ryots. The Municipal Council has been getting a good income from this source, which the Council naturally feels it is not in a position to lose. It does not appear to be necessary at this stage to raise the issue of the legality of this levy unless it is called in question in a Court of Law, but if the present boundaries of the Municipality are altered, as now proposed, it would be at once necessary to shift the position of one of the toll-gates the one now located on the road in front of the Factory to the Mandya old Town. It would then be quite impossible for the Municipal Council to levy toll on sugarcane ~~xxxxxxfxxxxk~~ carts coming to the Factory by this route. The consequent loss of toll revenue is estimated at about Rs.3,000/- per annum. Although there can be no question of the Sugar Company compensating the Municipality for loss of the toll revenue, the Chairman of the Company with whom I had a discussion on this subject, is willing, if the Sugar Factory area is placed under a separate local authority as now recommended with the boundaries as now proposed, to recommend to the Board of Directors of the Company to make from the Company's income an annual ~~xxxxxx~~ grant of between Rs.2,000/- and Rs.3,000/- to the Municipal Council for a period of ten years as an act of neighbourly co-operation to help a sister institution to tide over its financial difficulties.

6. I understand that the Sugar Company is spending very nearly Rs.10,000/- a year on water supply, lighting, sanitation & medical aid for its employees which it is certain the Municipality will not be able to do even though the Sugar Factory area is brought within the Municipal limits. It is therefore necessary in the larger interests of the Sugar Factory that its area should be removed from the control of the Municipality. I, therefore,

recommend that the area noted in the schedule to the proposed rules be formed into a separate Village Panchayet and the administration of it entrusted to a Committee of 5 members as proposed in the rules.

Resolution No. 14:

Resolved unanimously that as the Sugar Factory area is situated extremely close to the twon, being within one furlong of the Municipal boundary and as its exclusion will seriously affect the toll revenue and other resources of the Municipality, and as the expansion of the town will be hindered thereby, and much inconvenience will be caused to the public and the Municipality, the entire Sugar Factory area, part of which is already within Municipal limits, be brought within the municipal boundary, and the municipal boundary itself towards the North and East of the old M.C. road be extended up to the Mandya tank, Kodihalla and Hebba halla, respectively; this extension of the boundary is necessary to meet the needs of the town in the way of expansion, provision of housing areas, burial grounds, etc.

Dear Sir,

Re: Extension of Municipal Limits of Mandya

We are enclosing herein a copy of letter No.B-7.3/4544 dated 8th April 1935, which we have addressed to the Deputy Commissioner, Mysore District, indicating our objections to the proposed extension of the present municipal limits of the Mandya municipality.

The Board of Directors have already communicated, in their letter No. B-7.3/304 of 15th October 1934, that Government should be requested not to approve of the extension of the municipal limits. It would probably be advantageous to constitute the Sugar Factory premises and colony with certain adjoining lands into a separate Panchayat or hamlet under the Village Panchayats' Regulation. The writer as Revenue Commissioner will submit separate proposals in the matter when the present proposal to include these in the Municipal Area is definitely dropped.

Yours faithfully,

The Deputy Commissioner,
Mysore District,
MYSORE

Dear Sir,

With reference to the notification published in the Mysore Gazette dated 7th March 1935 regarding the proposed extension of the municipal limits of Mandya town, we beg to state our objections to the proposal and request that you will kindly communicate the same to Government.

The Company selected the present site for the location of the sugar factory beyond the municipal limits as it was considered essential that the development of this new industry should not be hampered by its being subjected to municipal regulations which are framed for the most part, to meet other than industrial needs.

The Company has laid out a town for the occupation of its employees, formed roads and arranged for underground drainage and sewerage systems as also for drinking water supply. The lighting of the streets and the scavenging arrangements are on a scale commensurate with the requirements of the Factory and its employees. All these improvements and

services have entailed a good deal of initial outlay as well as of recurring expenditure. If the area is now included in the municipal limits, it is practically certain that the municipal council will not be able to maintain the standard of service that has been set up by the Company. At the same time, the Company will have little incentive to proceed with the several developments which it has under contemplation, such as the levelling up and planting of vacant spaces, the formation of a new colony for the employees and dependents of the Factory, the inauguration of improved medical facilities, etc.

The Municipal council, we respectfully submit, will have enough to do with the improvements which are required in the old town and in the extension which is being laid out on both sides of the new Bangalore-Mysore Road. It is unlikely to provide the funds or give the attention required for the development of an industrial area which has no integral connection with the old town or with the extension.

We understand that one of the objects of the proposal under advertence is to safeguard the fiscal arrangements of the municipality in respect of tolls, vehicle taxes, octroi duties, etc. But we beg to point out that the levy of tolls and taxes on motor vehicles will soon cease to be a municipal concern. And as for octroi duties, there

SIR,

Extending the Municipal limits of Mandya Town.

Renr.

With reference to your letter No.L.31C dated 11/13th July 1935, and subsequent reminder thereon, regarding the above, I have the honour to state that after the draft notification was published in the Gazette, the Chairman of the Mysore Sugar Company, forwarded a letter, protesting against the inclusion of the Sugar Factory and its Colony at Mandya, within the Municipal limits for the following reasons.-

(1) That the development of this new industry will be hampered by its being subjected to Municipal Regulations, which are framed for the most part to meet other than industrial needs,

(2) That the Company has laid out a town for the occupation of its employees, formed roads and other facilities at the cost of the concern,

(3) That if the area is included in the Municipal limits, the Municipal Council may not be able to maintain the standard of service that has been set up by the Company, and

(4) That the exclusion of the Sugar Factory areafrom the Municipal limits would not in any way affect the income of the Municipality.

The objection letter of the Sugar Company was placed before the Municipal Council at a Meeting held on 27th July 1935. The Council are of opinion that as the Sugar Factory

area

area is contiguous to the town, the Municipal boundary may be extended, as already proposed, in the interest of sanitation and health of Mandya Town.

As per instructions given by the Revenue Commissioner, the Sub Division Officer of Mandya Sub Division has also submitted proposals for ~~contributing~~ constituting the Sugar Factory area and its colony into a separate Village Panchayet under Section 4 of the Village Panchayets Regulation of 1926. The draft notification includes Motaningana Doddi, a hamlet of Chikka-Mandya and lands of the Sugar Factory area. The Village Panchayet of Chikka-Mandya village are also agreeable to the proposal.

Under Section 4(1) of the Village Panchayets Regulation, a Panchayet may be established for every village or group of villages. Village, as defined in the Regulation, means a local area, recognised by Government from time to time as a village for purposes of collecting land revenue and includes a dakhale or hamlet village. The Sugar Factory and its colony are reported to comprise of some lands, belonging to Mandya Kasaba. It cannot be formed into a separate Village Panchayet, as it is neither a whole village or a hamlet.

There is considerable force in the objections, raised by the Sugar Factory, regarding the inclusion of the Factory area in the extended Municipal limits. The Factory area is an industrial area and develops under special conditions. The needs of the area are not common with those of the ordinary Municipal area and it is not desirable to stifle the activities of the Factory authorities by merging the area in Municipal limits. The industrial area requires special attention for which funds will have to be found from the profits of the concern.

The

The question for determination is as to how to regulate the local administration of this special area, if it is not to be part of the Municipality and cannot be made into a Panchayet.

There is no provision in the District Board Regulation to constitute such areas into separate units. It cannot be made a Panchayet for reasons stated above. It does not want to form part of a Municipality, already in existence.

The following courses are open. The area may be constituted into a separate unit, under the executive orders of Government or the lands included in Mandya Kasaba may be excluded therefrom and included in the hamlet of which the Factory forms part. Then, it could be constituted into a Panchayet.

If it is merely a notified area under executive orders of Government there will be no sanction to institute prosecutions and launch cases for breaches of Sanitary and fiscal bye-laws. It is, therefore, better to bring the area under some Regulation which provides for the looking after of the health and convenience of its inhabitants and enforces payment of taxes and fines under statutory provisions.

The connected records are herein enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

DEPUTY COMMISSIONER,
Mysore District.

Dear Sir,

With reference to my conversation with you, in regard to the question of the inclusion or otherwise of the Sugar Factory area within the limits of the Mandya Taluk I have examined the Sugar Factory's proposal to constitute the area into a separate Village Panchayet and I do not think there will be any inconvenience or difficulty in adopting the same. The Village Panchayet to be formed may levy the Obligatory taxes and perform the Obligatory functions prescribed in the V.P. Regn. and as regards the accounts to be maintained & the returns to be furnished by the Panchayet Govt may simplify the same under their rule making powers vested in them under the Regn. The exercise of the supervisory powers of the Amildar & the Taluk over the affairs of the Panchayet does not also seem to cause any impediment

As the Panchayet will be composed for the most part of officers and employees of the company, the exercise of statutory functions of the Panchayet will mainly be in the interests of the company itself. And the fact that some powers of control are normally vested in the Amildar need not cause any practical difficulty will not, I am sure, arise in the case of the Sugar Factory Panchayet.

better smooth working of the arrangements in the area. The trouble is that further, unless the area is included within the Mandya Municipal limits, there is no escape from its being treated as a Village Panchayet, as the Village Panchayet Regn contains no enabling provision for excluding any such non-municipal area from its operation. I agree that the area might be constituted into a separate Panchayet when necessary ~~cases will be dealt~~ with the matter.

Yours sincerely

SIR,

Regarding the formation of the Sugar Company area into a separate Village Panchayet.

With reference to your letter No.L.7411/V.P.43-35-2 dated 28-3-1936 on the above subject, I have the honour to enclose herein for the information of Government three statements showing the survey numbers pertaining to the Sugar Factory (i) lying beyond the municipal limits, (ii) lying within the municipal limits and (iii) those contemplated for acquisition to the Factory. If it is decided to constitute these areas into a separate Village Panchayet the survey numbers belonging to the Factory that are lying within the municipal limits will have to be excluded from the boundaries of the municipality in accordance with Sections 4 and 7 of the Mysore Town Municipalities Regulation of 1933. These survey numbers together with the other survey numbers comprised in the Factory area will then have to be surveyed and duly constituted into a separate Revenue Village before a separate village panchayet is constituted under Section 4 (1) of the Village Panchayet Regulation.

In this connection, reference is invited to the Mysore Deputy Commissioner's letter No.D3.1325/34-35 dated 21-11-1935 addressed to Government wherein one of the several reasons given by the Sugar Company for the exclusion of the Sugar Factory area from the municipality is that the revenues of the municipality would not be affected by the proposed change. This statement is not found to be correct as the municipality obtains as much as Rs.10,000/- or nearly 1/3 of its normal revenue (during 1935-36) by levying a toll on all carts carrying sugarcane to the Factory. If these survey numbers comprised in the municipality are to be excluded therefrom, the resources of

the municipality will be crippled to a great extent.

I have the honour to be,
Sir,
Your most obedient servant,

Revenue Commissioner.

NOTIFICATION.

No. L. 6579—V. P. 47-38-2, dated Bangalore, 2nd February 1939.

In exercise of the powers conferred by Section 58-B. of the Mysore Village Panchayet Act, 1926, as amended from time to time, and Section 102 of the Mysore District Boards Act, 1926, as amended from time to time, the Government of His Highness the Maharaja of Mysore are pleased to exempt the local area defined in the Schedule appended to this notification from the operation of the provisions of the said Acts and to make the following rules to provide for the matters dealt with in the said Acts for the said area :—

RULES.

Constitution. 1. For the proper and efficient administration of the said local area, there shall be formed a special Board distinct from and independent of the Mandya Town Municipal Council and the Mysore District Board and the Village Panchayet of Chikmandya and styled "The Mysore Sugar Town Board."

2. The Board shall consist of five members, three of whom shall be representatives of the Mysore Sugar Company, Ltd., and two nominated by the Government.

President. 3. The Government shall appoint the President of the Board from time to time.

Secretary and Medical Officer. 4. It shall be lawful for the Board to appoint, with the approval of Government, a Secretary and a Medical Officer of Health and assign to them such duties and powers as the Board shall deem fit for the administration of matters within its competence.

Joint-Committee. 5. The Board shall have power to appoint Joint Committees to carry out and administer joint works with the adjoining village panchayets or with the Mandya Town Municipal Council, or the Mysore District Board, in all matters of joint concern on terms mutually agreed upon.

Power to make appointments. 6. The Board may, from the funds at its disposal, and subject to such instructions as may be given by the Government from time to time, create appointments

including those of Sanitary Inspectors, Assistant Sanitary Inspectors, Works Inspectors and such establishment of Maistries, Sweepers and Scavengers, Watchers and other servants as may be found necessary for the proper and efficient administration of the area.

Conduct of business.

7. The Board shall have power to prescribe bye-laws, with the previous sanction of Government, for the conduct of its business and for the guidance of its members and servants.

Power to levy taxes.

8. The Board shall have power to levy, with the like sanction, such tax, rent, rate or cess within the said area as a Town Municipal Council would be competent to levy under the law in force relating to Town Municipalities or which may be specially sanctioned by Government.

Power to make Bye-laws.

9. The Board may, with the previous approval of Government, prescribe bye-laws —

(*a*) for regulating the construction and restoration of buildings of every description, the materials of which they shall be made, their ventilation and drainage, the number of persons that may occupy them and other similar matters, and to prevent the construction of buildings without adequate provision being made for the layout and location of streets;

(*b*) for providing burning and burial grounds

(*c*) for regulating the disposal of kitchen and stable refuse, animal refuse of all kinds and night soil or other such offensive matter;

(*d*) for conserving and guarding against pollution all sources of water supply;

(*e*) for preventing overcrowding in bazaars in workmen's lines, and for streets or houses for work people and others;

(*f*) for the proper cleaning of drains, sewers, latrines and urinals;

(*g*) for regulating the keeping of cattle and other animals, the location of sheds for them, and the fixing or licencing of slaughter-houses; and authorising the levy of rent or fees for the use of the same, or a fee on each animal slaughtered therein, at such rates as may be prescribed from time to time;

(*h*) for the proper and timely treatment of persons affected with cholera, small-pox or other epidemic disease

and for preventing the spread of such disease by temporarily prohibiting persons affected or suspected to be affected with it from moving to or from particular specified places or travelling on particular specified routes

(i) (1) for the regulation and inspection of bakeries and aerated water factories;

(2) the registration of Births and Deaths and enforcing the supply of information as may be necessary to make such registration compulsory;

(3) the inspection and proper sanitation of the markets; and

(4) the regulation and inspection of hotels, restaurants, eating houses and sweetmeat shops in the area; and

(j) generally for the sanitation of the area under its authority.

(2) For every breach of a bye-law made under this rule, the offender shall be liable to a fine not exceeding rupees one hundred on conviction before a Magistrate.

(3) All fines imposed for the breach of any bye-law made under this rule, shall, when recovered, be credited to the funds of the Board.

Power of Government to repeal or modify the bye-laws of the Board.

10. The Government may, at any time, by notification in the official Gazette repeal, wholly or in part, or modify any bye-law made by the Board.

Power of Government to cancel or modify resolution or order of the Board.

11. The Government may suspend the execution of, or cancel, or modify any resolution or order of the Board and prohibit the doing of anything which is about to be done or is being done on behalf of the Board. Subject to such conditions as may be imposed by the Government, the power of Government under this rule may be delegated to any authority subordinate to Government.

Power to acquire and hold property.

12. The Board shall have power to acquire and hold movable and immovable property whether within or without the limits of the local area and shall also have power—

(1) to let on hire or lease any movable or immovable property which may have become vested in or been acquired by the Board;

(2) to sell or otherwise convey, with or without any conditions, any movable or immovable property which

may have become vested in or been acquired by the Board; and

(3) to appropriate or apply the whole or any part of the lands which may have become vested in or been acquired by the Board for the formation of open spaces or for building purposes or in any other manner for the purposes of any sanitation schemes.

Board Fund.

13. (*a*) All moneys received by or on behalf of the Board by virtue of these rules, all sums realised as taxes, tolls, and other imposts, fines, fees, penalties, paid to or levied by it under these rules; all proceeds of land or other property sold by the Board, and all rents accruing from its land or other property; as also all interests, profits and other moneys accruing by gifts or transfers from Government or private individuals or otherwise, shall, constitute the fund of the Board.

(*b*) The fund shall be administered and applied for the purposes specified in the rules and for all other purposes for which by or under these rules or any other law for the time being in force, powers are conferred or duties imposed upon the Board and with the previous sanction of the Government for any other purpose for which the application of such property or fund is in the public interests.

Power to deposit and invest surplus funds.

14. (1) It shall be lawful for the Board to deposit at interest in the Government Savings Bank, or with the sanction of the Government, in any other Bank in Mysore, any surplus funds in its hands which may not be required for current charges and with the like sanction, invest such funds in securities of the Government of India or of the Government of Mysore or such other securities as the Government may, from time to time, approve in this behalf, and vary such investments or dispose of such securities with the like sanction.

(2) The Board Fund, over and above what is invested as provided for in sub-rule (1), shall be kept in the Government Treasury of the District.

Recovery of amounts due to the Board.

15. All sums due from any person to the Board Fund on account of taxes, fees and all other dues may be recovered in any one or more of the following ways:—

(1) As an arrear of land revenue, on the written application of the President in this behalf to the Deputy Commissioner of any district in which proceedings are required to be taken.

(2) By distraint and sale, by or under the orders of the President, of the movable property of such persons.

(3) By the institution by the President of a civil suit against such person.
